## BERRY COMPLIANT HAND PROTECTION

There's nothing classic about our Berry Compliant Leather Driver. This versatile glove constructed with a supple touchscreen capable goat skin leather on the palm and a more rugged cow skin leather on the back of hand, creates the perfect balance between fit, feel, and function. Patterned with a Gunn cut finger design and a keystone thumb that wraps outer seams, this glove provides improved dexterity without compromising durability. And when you aren't needing to protect your hands, keep your gloves safe and stored with the carabiner loop at the cuff of the gloves.

### FEATURES

- 1 Touchscreen capable goat skin leather palm is water resistant yet breathable, and ready to work with no break-in time.
- 2 Durable cow skin leather back of hand provides comfort and protection.
- 3 Stretch-elastic cuffs provide easy on and off flexibility.
- 4 The Gunn cut finger design repositions vulnerable seams for improved durability.
- 5 Comfortable keystone thumb design wraps over outer seams for enhanced durability and improved dexterity.
- 6 Carabiner loop for quick storage when not in use.

MACHINE WASHABLE

TOUCHSCREEN TECHNOLOGY

### INTENDED USES

- Military
- Law Enforcement
