SONOS

Introducing Sonos Roam 2

The portable speaker for listeners who refuse to settle. Astonishingly lightweight, durable, and powerful, Roam 2 makes it easy to enjoy Sonos sound everywhere life takes you.

Get up to 10 hours of non-stop playback

Use the power button to save battery life, and efficiently charge with the included USB-C cable and any compatible power adapter.

Tough and ready for adventure

Bring Sonos sound to the backyard, beach, trail, or slopes. Durably constructed, impressively lightweight, and IP67 waterproof and dustproof, Roam 2 is built to perform outdoors.

Part of something so much bigger

Experience all the magic of the Sonos system when you connect Roam 2 to more speakers. Get rich stereo sound when you pair two in the same room, and fill your whole home with incredible sound when you add Sonos to more rooms.

Amazing by ever measure

Precision-engineered acoustics defy all expectations for a speaker this small, delivering exceptional clarity and bass that packs a punch. Automatic Trueplay™ fine-tunes the sound for your environment.
