

## MEDI-CUT SAFETY SCALPELS

### ITEM 4160, 4161, 4165

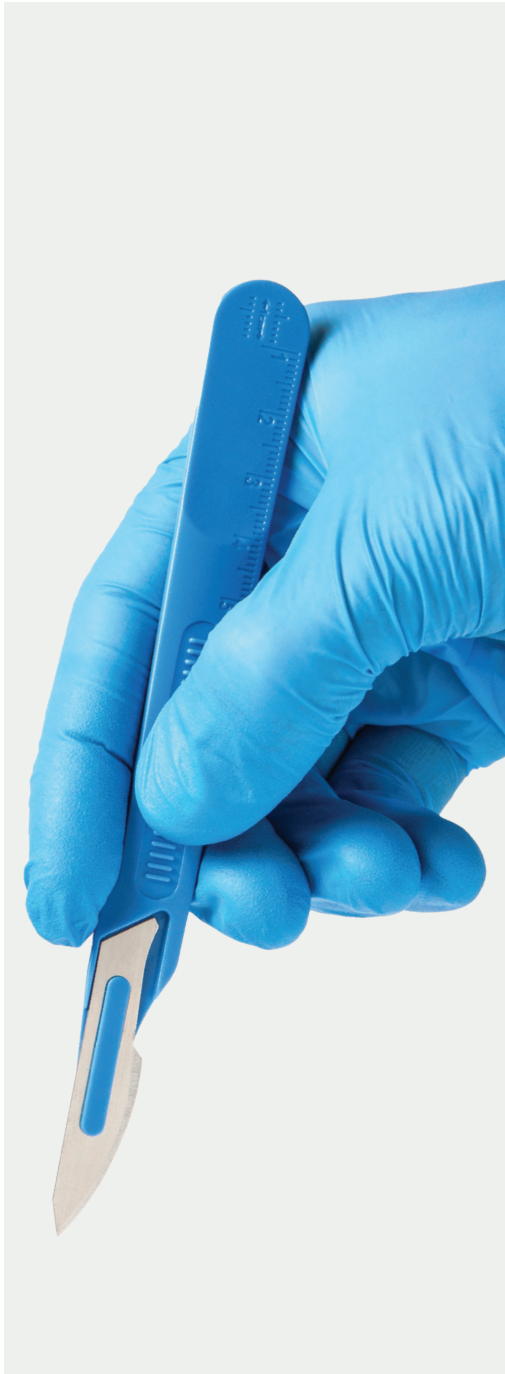

Dynarex Medi-Cut Safety Scalpels are high-quality stainless-steel blades designed for optimal precision and improved safety. The scalpel blade is easy to retract after use to help reduce the risk of injury.

- Crafted from premium-quality stainless steel for improved precision
- Retractable blade helps to minimize the risk of accidental injuries
- Blade easily and permanently locks inside the handle for safe disposal
- Sterile, packaged in individual pouches for optimal hygiene
- Not made with natural rubber latex
