Time to get started

Set up a clean and soft workplace to get started and avoid damage during the assembly. It also helps to double-check that you've got all the pieces and parts before diving in to assembly.

Parts List

Part Number	Description	Quantity
1	Ottoman Top	1
2	Ottoman Base	1
3	Legs	4

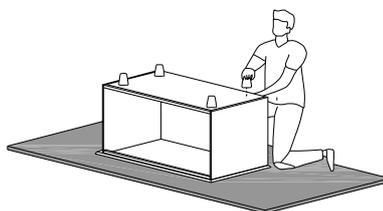

Step 1

Let's get started! This will be super quick. First, remove the Ottoman Top (1) —inside, you'll find a box with the legs.

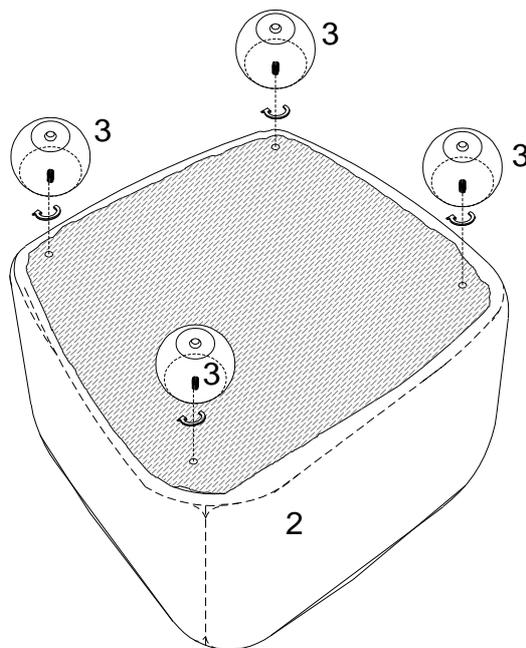

To keep your product looking its best and scratch-free, try assembling it on a soft surface like carpet or a blanket. This helps prevent any accidental scratches and keeps your furniture in top shape!

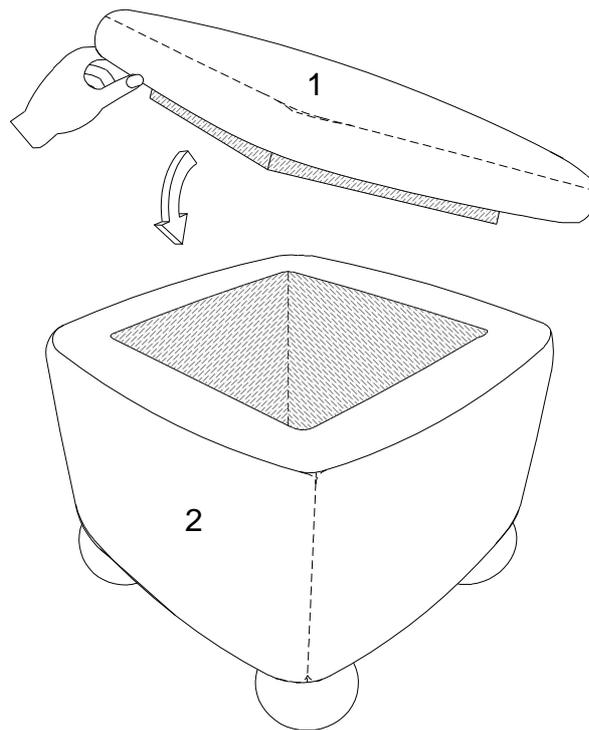

Step 2

Grab the Legs (3) and twist them onto the bottom of the Ottoman Base (2) until they're nice and secure.

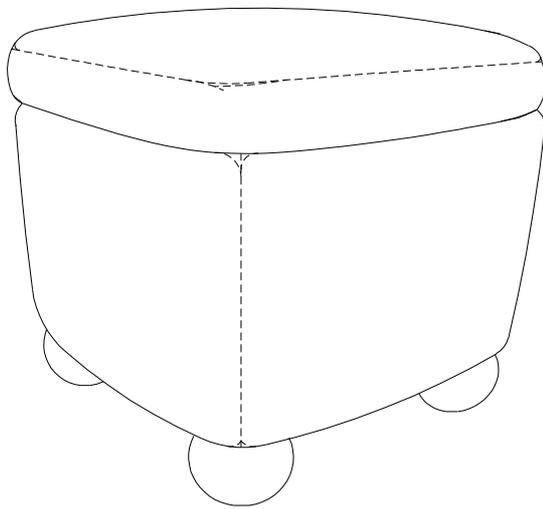

Step 3

Flip the ottoman right side up and place the Ottoman Top (1) back on.

Final Assembly

That's it—you're all set! Enjoy your new ottoman!

Congratulations on your new piece of furniture!

We would love to hear about it and see it.
