## HANGTAG ASSEMBLY INSTRUCTIONS - STAPLE APPLICATION (MULTI-PACK)

### STEP 1:

Bend the bridge of the hangtag at both creases. Place the black hook through the hole in the bridge, with the “Kinco” logo facing the front of the hangtag.

### STEP 2:

Depending on the pack quantity (2 or 3 pairs), position each pair with the right hand on top and left hand facing palm out, then stack the pairs together. Rest the black hook and front of the hangtag on the front glove and fold the tag down.

### STEP 3:

Insert the back of the tag into the back glove cuff.

### STEP 4:

Turn gloves over and staple through the hole on back of the hangtag.

### STEP 5:

Ensure that the staple is the correct size to securely attach gloves to hangtag and hook.
