COATED KNIT WORK GLOVES

Dirty jobs are no match for our SpeedKnit™ Shield C4 work gloves. We double-dipped the outer shell to protect the back of your hands from oil and other liquids from sneaking in while you work. The SpeedKnit™ Shield C4 is constructed with a seamless 18-gauge nylon shell that protects working hands with EN 388 Level C & ANSI A4 cut resistance.

FEATURES

- 1 Comfortable 18-gauge nylon and spandex construction.
- 2 Full-nitrile coating prevents oil and other liquids from sneaking in during dirty jobs.
- 3 Sandy textured nitrile palm coating protects working hands with EN 388: 2016 Level C & ANSI A4 cut resistance.
- 4 Machine washable.
