LEATHER WORK GLOVES

Pull on a pair of Durahide™ FastFit® leather gloves and get straight to work. The easy-on, full-wrap cuff design ensures a secure fit right out of the gate, while Durahide™ performance leather delivers extreme abrasion resistance when you're operating power tools or hauling rough building materials. CoolPlus® woven-mesh back panels reduce heat buildup so your hands stay cool and comfortable on the job. Abrasion-resistant Ripstop material and a neoprene knuckle panel add serious durability and protection, and single-seam wrapped fingertips give you the fit and dexterity to keep working with precision. Vented palm padding absorbs light impacts, and the 2-piece palm design prevents bunching so nothing slows you down. Built for every swing, every haul, every long day on the job.

FEATURES

- 1 Durahide™ performance leather protects your palm with extreme abrasion resistance.
- 2 Full-wrapping easy on/off cuff design.
- 3 CoolPlus® woven-mesh back of hand reduces heat buildup while working.
- 4 Abrasion resistant Ripstop material across the back of the fingers providing a water-repellent treated barrier and a comfortable fit.
- 5 Light and breathable neoprene knuckle panel cushions from abrasions while improving flexibility.
- 6 Single-seam wrapped fingertip design removes vulnerable wear points and improves fit and dexterity.
- 7 Lock Ring™ printed thumb saddle design wraps high wear areas for increased durability.
