GALWAY

Story has always been important to us. It is what has driven us from the very beginning and it is what continues to inspire us today. Our story begins with porcelain tiles, surfaces that are both technically excellent and beautifully satisfying to the eye. Galway is a testament to our commitment to creating products that are both functional and aesthetic.

The Galway collection from VITL recalls an old world feel with stone-look porcelain wall and floor tiles with pebble details, inspired by precious and rare natural stone quarried from the Lombardy region in Northern Italy, and a wide range of encaustic decor tiles, made using kiln-fired clay and powdered glazes. Completing the collection are large format inspired by nature. With so many possibilities, Galway offers a range of design solutions for commercial and residential interior spaces. So take a walk on the wild side and explore the possibilities today.

Material

Porcelain

Product Characteristics

TEST	9MM	20MM
Breaking Strength	≥1500 N	≥1000 N
Chemical Resistance	A	A
DCOF	>0.42	>0.42
Deep Scratch Resistance - Unglazed	≤150 mm^3	≤150 mm^3
Frost Resistance	Resistant	Resistant
Mohs Hardness - EN101	6	6
Water Absorption	≤0.1%	≤0.1%
Certifications	LEED, EPD, HPD	LEED, EPD, HPD
Country of Origin	Italy	Italy
Shade Variation Code	v2, v3, v4	v2, v3, v4

PORCELAIN CARE & MAINTENANCE

INITIAL CLEANING

Proper cleaning after installation is essential for future maintenance. Remove excess grout using clean water and a sponge. If grout leaves behind a white haze, it can be wiped off using a clean cloth after grout has cured. Stubborn residue may require the use of a grout haze remover solution or neutral detergent. Thoroughly rinse the area with clean water and dry with a clean towel or wet vacuum.

ROUTINE MAINTENANCE

Immediately wipe up any spills and clean the area using a damp cloth or sponge. Remove loose soil using a broom or vacuum. To remove stubborn surface debris, use a scraper or putty knife. Wipe the area with a PH-neutral and soapless cleaner. Rinse with clear water and wipe dry to prevent residue. Do not use cleaning wax, oil-based cleaners, ammonia, sealants, or products containing acid or bleach for routine maintenance. Avoid using abrasive cleaning products such as steel wool.
