## CUT RESISTANT HAND PROTECTION

The Original® D5 protects working hands with EN 388 Level D and ANSI A5 cut resistance in the workplace. The palm and fingers are protected by an internal layer of high-tenacity Armortex® to prevent abrasions and lacerations when working with sharp tools and sharp materials. Reflective ink creates eye-catching luminance and fluorescent TrekDry® helps keep working hands cool and comfortable. Top it off with a secure Thermoplastic Rubber (TPR) wrist closure and you have a critical cut resistant tool.

### FEATURES

- 1 Thermoplastic Rubber (TPR) closure creates a secure fit to your wrist.
- 2 Breathable TrekDry® keeps your hands cool and comfortable.
- 3 Reinforced thumb and index finger support added durability.
- 4 Touchscreen capable synthetic leather keeps you connected while you work.
- 5 Internal layer of Armortex® delivers EN 388 Level D and ANSI A5 cut resistance.
- 6 Machine washable.
