

COLDWORK™ HI-VIZ ORIGINAL® E5-360

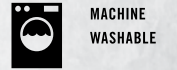

COLD WEATHER HAND PROTECTION

The ColdWork Hi-Viz Original D5-360 combines critical cut protection and durable warmth so you can securely work with sharp tools and materials in cold environments. Working hands are protected from the elements with a 360° EN 388 level E & ANSI A5 cut resistant liner and 3M Thinsulate Insulation that locks in warmth. A hi-viz and water-resistant SoftShell and a durable touchscreen capable polyurethane palm keep hands visible and connected to the task at hand.

FEATURES

- 1 100g 3M™ Thinsulate™ Insulation on back of hand and 60g on the palm provides warmth without compromising dexterity.
- 2 High-tensile strength liner provides 360° EN 388 level E & ANSI A5 cut resistance.
- 3 Water resistant and wind proof hi-viz SoftShell helps with visibility while protecting hands from the elements.
- 4 Reflective print ensures added visibility.
- 5 Water resistant polyurethane grip palm.
- 6 Added palm padding helps reduce impacts and vibrations from tool use.
- 7 Touchscreen capable
