

Novus Staplers

Compact · Flat Clinch · Power Assist · Long Arm · Heavy Duty

Professional Stapling

Novus staplers are developed in Germany and designed for smooth, consistent performance. From compact to heavy-duty, these premium staplers are easy to use, feature integrated jam protection, and are the preferred choice among office professionals.

Leaders of Innovation

Since 1949, Novus has been an industry leader by developing special features that make stapling convenient and more efficient.

Smooth, Even Clinches

The dual staple guide provides even stapling pressure for clean, even clinches.

Booklet Binding

Novus Long Arm Staplers feature larger stapling depths that are perfect for saddle stitching and binding booklets.

Compact Staplers

With their compact size and high sheet capacities, these handy staplers are the perfect tool for everyday stapling.

B2 Stapler

- Metal internal components increase performance and durability
- Precision staple guide produces even pressure for reliable jam protection
- Use it 3 Ways- Staple | Temporary Pin | Tack
- Quick and easy top loading of staples
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Black, Blue, Easy Blue, Purple, Pink, Orange, Green	Standard	2.5"	25 Sheets	\$14.95

B2 re+new Stapler

- Eco-friendly stapler made from 95% recycled plastic
- Metal internal components increase performance and durability
- Precision staple guide produces even pressure for reliable jam protection
- Use it 3 Ways- Staple | Temporary Pin | Tack
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Black	Standard	2.5"	25 Sheets	\$17.95

E25 Stapler

- Metal internal components increases performance and durability
- Precision staple guide produces even pressure for reliable jam protection
- Use it 3 Ways- Staple | Temporary Pin | Tack
- Integrated staple remover
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Black, Blue, Red	Standard	2"	25 Sheets	\$19.95

E30 Stapler

- Metal components increases performance and durability
- Precision staple guide produces even pressure for reliable jam protection
- Use it 3 Ways- Staple | Temporary Pin | Tack
- Integrated staple remover
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Black, Blue, Red	Standard	2"	30 Sheets	\$29.95

Flat Clinch Staplers

These powerful staplers bend and flatten each staple to provide up to 30% more filing and binder space.

B4fc Stapler

- Metal internal components increases performance and durability
- Dual staple guide provides even stapling pressure for superior performance
- Use it 3 Ways- Staple | Temporary Pin | Tack
- Quick and easy front loading of staples
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Black, Blue	Flat Clinch	2.375"	50 Sheets	\$34.95

B4fc re+new Stapler

- Eco-friendly stapler made from 80% recycled plastic.
- Metal internal components increases performance and durability
- Dual staple guide provides even stapling pressure for superior performance
- Use it 3 Ways- Staple | Temporary Pin | Tack
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Black	Flat Clinch	2.375"	50 Sheets	\$37.95

B5fc Stapler

- Metal internal components increases performance and durability
- Dual staple guide provides even stapling pressure for superior performance
- Use it 3 Ways- Staple | Temporary Pin | Tack
- Quick and easy front loading of staples
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Black, Blue	Flat Clinch	3.625"	50 Sheets	\$44.95

Power Assist Staplers

Innovative stapling technology allows you to staple multiple sheets with up to 70% less effort.

B7a Stapler

- Power Assist requires 50% less stapling effort (up to 8 sheets)
- Anti Blocking System (ABS) prevents staple jams
- Metal internal components increases performance and durability
- Dual staple guide provides even stapling pressure for superior performance
- Use it 3 Ways- Staple | Temporary Pin | Tack
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Black, Blue	Standard	4.125"	30 Sheets	\$59.95

B8fc Stapler

- Hinged handle can extend for greater leverage and 70% less stapling effort
- Metal internal components increases performance and durability
- Dual staple guide provides even stapling pressure for superior performance
- Use it 3 Ways- Staple | Temporary Pin | Tack
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Black	Flat Clinch	2.625"	50 Sheets	\$59.95

Long Arm Staplers

Novus Long Arm Staplers feature larger stapling depths that are perfect for saddle stitching and binding booklets.

B15 + B17 Stapler

- 9.75" Stapling depth for saddle stitching booklets and large documents (**B15**)
- 11.75" Stapling depth for saddle stitching booklets and large documents (**B17**)
- Metal internal components increases performance and durability
- Dual staple guide provides even stapling pressure for superior performance (**B17**)
- Adjustable depth guide for repetitive stapling accuracy
- Use it 2 Ways- Staple | Temporary Pin
- German engineered for quality and durability

Model	Clinch Type	Throat Depth	Sheet Capacity	List Price
B15	Standard	9.75"	25 Sheets	\$59.95
B17	Standard	11.75"	40 Sheets	\$69.95

Heavy Duty Staplers

Designed to staple large stacks of documents with minimal effort, these commercial-grade high-capacity staplers are built for heavy use.

B40 Stapler

- Anti Blocking System (ABS) prevents staple jams
- Dual staple guide provides even stapling pressure for superior performance
- Adjustable depth guide for repetitive stapling accuracy
- Bypass system prevents overlap of staple legs when stapling smaller quantities
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Off White	Standard	2.25"	100 Sheets	\$79.95

B50 Stapler

- Long handle with 2-point leverage provides more power with less effort
- Anti Blocking System (ABS) prevents staple jams
- Dual staple guide provides even stapling pressure for superior performance
- Adjustable depth guide for repetitive stapling accuracy
- Bypass system prevents overlap of staple legs when stapling smaller quantities
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Off White	Standard	3"	140 Sheets	\$129.95

B56 Stapler

- Long handle with 2-point leverage provides more power with less effort
- Anti Blocking System (ABS) prevents staple jams
- Dual staple guide provides even stapling pressure for superior performance
- Adjustable depth guide for repetitive stapling accuracy
- Bypass system prevents overlap of staple legs when stapling smaller quantities
- German engineered for quality and durability

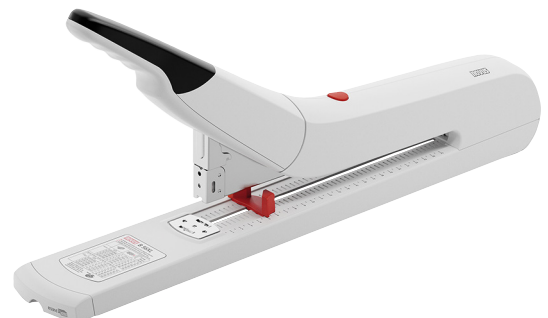

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Off White	Standard	3"	20-210 Sheets	\$199.95

B56 XL Long Arm Stapler

- 9.75" Stapling depth for saddle stitching booklets and large documents
- Anti Blocking System (ABS) prevents staple jams
- Dual staple guide provides even stapling pressure for superior performance
- Adjustable depth guide for repetitive stapling accuracy
- Bypass system prevents overlap of staple legs when stapling smaller quantities
- German engineered for quality and durability

Available Colors	Clinch Type	Throat Depth	Sheet Capacity	List Price
Off White	Standard	9.75"	20-170 Sheets	\$229.95

The Novus Advantage

what sets us apart

Push-Button Access

no-fuss front-loading staple compartment

Power Assist

50% less effort when stapling
up to 8 sheets of paper

Dual Staple Guide

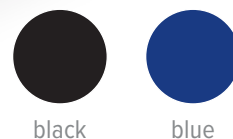

produces even pressure for
superior jam protection

Rotating Anvil

for stapling, temporary
pinning, or tacking

Quality Steel Mechanism

steel driven components for durability
and long-lasting performance
