

# SV55W-2

**Women's Heavy Duty Engineer Vest**  
**TYPE R / CLASS 2**  
**ANSI/ISEA 107**

Made by Women for Women! Our heavy-duty engineer-styled vest is intended for professional use. Superintendents, engineers, project managers – this vest is for you. Durable oxford material provides resistance to tough working conditions and supports extra weight in the pockets. The binding is made with a reflective material adding visibility in low light situations. Multi-function pockets, including a back plan or tablet pocket, spray or water bottle pockets, radio pocket, and grommets pockets, are all configured to improve job performance and efficiency.
