

Inspired by the enduring strength of quartzite, Capisco™ porcelain tile captures the raw beauty and character of a stone shaped across millennia. Flowing horizontal textures and layered movement bring a sense of depth, authenticity, and natural power to every surface. Rooted in history yet refined for modern design, it offers a seamless balance between heritage and innovation. Designed for architectural spaces that demand both performance and personality, the collection delivers timeless resilience with contemporary sophistication.

Product and Installation Details | ANSI A108.02
Section 4.3.8.2 - For running bond/brick jointing patterns utilizing tiles (square or rectangular) where the side being offset is greater than 18" (nominal dimension), the running bond offset will be a maximum of 33% unless otherwise specified by the tile manufacturer. If an offset greater than 33% is specified, specifier and owner must approve mock-up and lippage.

 Sustainability Attributes

- Red List Free
- Health Product Declaration (HPD) provided upon request
- Product Packaging is 100% recyclable
