

INJECTOR CLEANER

1. General description

Cleans injectors and entire fuel system of diesel and gasoline engines. Prevents injector fouling resulting in improved engine performance and acceleration.

2. Features

- Efficient water dissipation capability.
- Ethanol (E10) compatible.
- Prevents power loss due to fouled injectors.

3. Applications

- In all grades of gasoline.
- In all grades of diesel.

4. Directions

- Mount the spout on the can.
- Pour the complete content of the can into an almost empty fuel tank. Dose is sufficient for one passenger car.
- Fill up the fuel tank as outlined in the users' manual of the engine.
- **A safety data sheet (MSDS) according to EC Regulation N° 1907/2006 Art.31 and amendments is available for all CRC products.**

5. Typical product data (without propellant)

Appearance	Liquid.
Color	Colorless.
Odor	Solvent.
Density	0.791 g/cm ³ (@ 20°C).
Flash Point	38 °C (Closed Cup)

Remarks

All statements in this publication are based on service experience and/or laboratory testing. Because of the wide variety of equipment, conditions of use and the unpredictable human factors involved, we recommend that our products are tested on-the-job prior to use. All information is given in good faith but without warranty neither expressed nor implied. This Technical Data Sheet may already have been revised as a result of a change in legislation, availability of components or newly acquired experiences. The latest and only valid version of this Technical Data Sheet will be sent to you upon simple request or can be found on our website: www.crcind.com We recommend that you register on our website for this product, thus enabling you to automatically receive any future updates.
