

FIFRA Section 2(ee) Recommendation

For Control of Spotted Lanternfly on Roses, Flowers, Ornamentals, and Lawns in all states except TX.

Natria Rose & Flower Ready-To-Use

EPA Reg. No. 67702-15-92564

This recommendation is made as permitted by Section 2(ee) of FIFRA, as amended, and has not been submitted to or approved by the US Environmental Protection Agency. This recommendation must be in the possession of the user at the time of pesticide application.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For control of Spotted Lanternfly, thoroughly spray all areas of the plant, especially new shoots and underside of leaves. Pests need to be contacted by the spray to be controlled.

Follow all other label directions, restrictions, and precautions on the product label.

ALWAYS READ AND FOLLOW LABEL INSTRUCTIONS

This FIFRA Section 2(ee) recommendation contains new or additional directions for use of this product, which may not appear on the package label. Read and observe the precautionary statements plus all other information appearing on the product labels. For Utah and Washington, this recommendation is not required to be in the possession of the user at the time of pesticide application. For all other states, this recommendation must be in the possession of the user at the time of pesticide application.

This Technical Information Bulletin expires on 12/31/2024.
