

JascoPro Series Z-Wave Plus Water Leak Sensor

Specifications

Power: 1 CR2 battery (included)

Signal Frequency: 908.4/916MHz

Classic Range: Up to 150ft. line of sight to the wireless controller and closest Z-Wave receiver module

Long Range: Up to 1,300ft. line of sight to the wireless controller

Operating Temperature: 32-104° F (0-40° C)

Warranty: 5-year limited product warranty

Z-Wave Module: 800 series

For indoor use only

Design Features

- Trigger events – sensor communicates with your hub to initiate desired actions of Z-Wave devices. Increase peace of mind by automatically turning on lights, sending a notification to your phone, activating an alarm and more when water is detected
- Detection alarm – built-in speaker emits audible alert when water is sensed to allow immediate action by anyone in the area
- Dual function – base contacts and a detachable probe accommodate various setups. Recessed contacts on the base of the sensor are ideal for placement on flat surfaces. The included probe extends reach for use in wells, sump pump holes and other small spaces
- Indicator light – LED indicator displays status and provides feedback during programming. It also serves as notification if tampering with the sensor occurs
- Transmits notifications to connected controller when water leaks are detected
- Wireless range (classic) – up to 150ft. line of sight between the wireless controller and the closest Z-Wave receiver module
- Wireless range (Long Range) – up to 1,300ft. line of sight to the wireless controller
- Regular battery level reports

Z-Wave Plus with S2 Security and SmartStart Features

- Improved battery life and up to 50% greater wireless range
- QR codes with unique, industry-standard secure key exchange to add a layer of 128-bit encryption
- Effortless device pairing to Z-Wave S2 and SmartStart certified gateways
- Backward compatible with all generations of Z-Wave devices
- 250% faster processor
- 400% more memory
- 50% more energy efficient
- Supports wireless upgrades to future-proof your home
