What will you find in one of our Pacific Play Tents?

Giving Back to Our Local Community!

In 2014, Stansport found a way to give back to local communities while encouraging youth to get outside and experience the outdoors. Stansport covers all costs incurred to provide the free event for families who may not be able to experience a night under the stars because of financial or personal hardships. Each child who attends gets a backpack filled with outdoor gear and goods, such as, compasses, sunblock, whistles, glow sticks, flashlights and headlamps. Additionally, each child and their parents get to go home with a new Stansport lantern, sleeping bag, and pack-lite sleeping pad. Stansport’s goal in hosting this event each year is to encourage children and their families to spend more time outdoors and experience the joys of camping.

OUR AWESOME PARTNERS!
