

BIKE CLEAN

Technical Data Sheet

Creation Date 26/04/2023

Version I

Biking is all about freedom and fun, so make sure you keep your bike clean and running smoothly! CRC Bike Clean gets rid of grime, dirt, oil and other stains. CRC Bike Clean is biodegradable, carbon safe and highly effective thanks to its multiple active ingredients. Works with hot and cold water.

Where to use?

CRC Bike clean is specially formulated to help remove dirt, grime and grease from your bicycle's various components.

First, there's the frame. Whether you've been riding in muddy conditions or just want to keep your bike look glossy and new, CRC Bike Clean can get the job done.

Next, there are the wheels. From the rims to the spokes to the tires themselves, CRC Bike Clean can help you get rid of all the gunk that accumulates after a few rides.

CRC Bike Clean does a great job on bike brakes (calipers and pads), suspension (stanchions and seals), saddle and more.

CRC Bike Clean is compatible with all components on the bike.

How does it work?

For the best results:

1. Pre rinse your bike with water.
2. Spray CRC Bike Clean on the frame, handlebars, pedals and other components of the bike.
3. Apply evenly to heavily soiled areas before cleaning, let sit for 3-5 minutes.
4. Use a soft cloth or sponge, scrub off any dirt or grime from the bike.
5. Rinse off the cleaner with a garden hose or bucket of warm water.
6. Dry the bike with a clean cloth.

Finish by lubricating the chain and other moving components with a CRC chain lubricant.

What to expect?

A clean bike in tip-top shape, prolongs life of all the components on your bike.

A Safety data sheet (MSDS) according to REACH regulation 1907/2006 Art. 31 and its amendments, is available for all CRC products.

Technical data (Aerosol):

Appearance:	Clear, blue
Smell:	soft
Specific gravity (@ 20°C)	1,01
Freezing point	-2 °C
pH (@ 20°C):	11
Flammability limit	Non-flammable
Solubility in water	Complete
VOC (g/L)	0
Biodegradability (OECD 301B)	>64%
