Immersion Blenders Variable Speed, 900W

Models: WIB-90012 • WIB-90014 • WIB-90016 • WIB-90018 • WIB-90021

The Winco ProFusion™ WIB-900 Series Immersion Blenders give you optimal control and power with a variety of shaft sizes and precise speed selection. Quickly and efficiently blend or whisk ingredients in a bowl, pan, pot or pitcher with easy handling, commercial-grade durability and optimal control. The 900 Series has (12", 14", 16", 18", 21") shaft sizes with an available capacity from 13-gallon (52 qt) to 63-gallon (252 qt). Powerful 900W (1-1/4 HP) variable speed motor with (8,000 - 20,000 RPM) speed range drives through the thickest and the most delicate ingredients with ease and safe operation. Heavy-duty hand immersion blender has removable stainless steel shaft. High-strength metal couplings that stand up to the demands of commercial kitchens. The WIB-900 Series is great for making soups, sauces, purees, vinaigrettes, dressings and much more. Versatility - do more than just blend, the optional whisk accessory is ideal for whipping and aerating - great for egg whites, creams and mashed potatoes. Ergonomic comfort grip and 10-ft high-visibility red cord and control dial make for ease of use and added safety. Wall mount bracket makes for easy storage.
