

HI-VIZ ORANGE FASTFIT®

HIGH-VISIBILITY HAND PROTECTION

The Hi-Viz Orange FastFit® work gloves have been reimagined for superior performance and comfort. The easy-on, full-wrap cuff design ensures a secure fit, while CoolPlus® woven-mesh back panels reduce heat buildup to keep your hands cool and comfortable. Built for durability and flexibility, these gloves feature abrasion-resistant Ripstop material, a neoprene knuckle panel for added protection, and single-seam wrapped fingertips for improved fit and dexterity. With vented palm padding to absorb light impacts and a 2-piece palm design to prevent bunching, the FastFit® is engineered to tackle any challenge with ease.

FEATURES

- 1 Full-wrapping easy on/off cuff design.
- 2 CoolPlus® woven-mesh back of hand reduces heat buildup while working.
- 3 Abrasion resistant Ripstop material across the back of the fingers providing a water-repellent treated barrier and a comfortable fit.
- 4 Light and breathable neoprene knuckle panel cushions from abrasions while improving flexibility.
- 5 Single-seam wrapped fingertip design removes vulnerable wear points and improves fit and dexterity.
- 6 Lock Ring™ printed thumb saddle design wraps high wear areas for increased durability.
- 7 Touchscreen capable 0.6mm synthetic leather palm.
- 8 2-Piece palm design reduces material bunching in the palm.
- 9 Vented palm heel padding protects from light strikes and vibrations while increasing breathability.
