

ProSeries

Win More Customers.
Keep Them Longer.
Drive Profits.

ProSeries is a professional, next-generation platform that offers security, life-safety, automation, and enhanced notifications in residential and light-commercial applications. Its modular design and seamless software integration offers an efficient, customized installation resulting in a greater user experience.

In addition, its demonstrated life-safety features, advanced smart-home capabilities, and cutting-edge technology make takeovers and upgrades easier than ever. The ProSeries platform helps you win more business, keep your customers longer, and drive more profits.

Features & Benefits

Win More Customers

- Modular design means highly flexible, customizable solutions
- Powerful Smart Home capabilities, including Amazon Alexa voice assistant (PROA7PLUS)
- One system for both residential and light commercial customers
- Text-to-speech capability produces spoken voice descriptors describing specific areas of a home or business

Keep Them Longer

- A future-focused, modular design increases retention
- Locks your sensors to protect your RMR
- Monitor your base for attrition risks
- Increase brand awareness by displaying your logo and company information on the panel, touchscreens and Total Connect App
- Enhanced notifications keep users more aware

Drive Profits

- Choice of programming methods – local, web or mobile drive productivity
- Universal peripherals and end-user replaceable batteries and modules increase efficiency
- Remote system diagnostics, One-Touch panel replacement, maintenance and over-the-air updates reduce truck rolls
