TOP TIP: For best results, use wet detergent or paste.

Spontex products are designed and tested to high standards.

Our Brilliant Scourer can be washed and reused multiple times. When it is no longer fit for its intended use why not find it a new purpose like cleaning bins. This packaging is 100% recyclable, so pop it in your recycling bin.

Spontex Brilliant Scourer is powerful, non scratch, flexible and easy to rinse. It efficiently removes stubborn burnt on stains from pots and pans without scratching. It is also recommended by Tefal, the experts in non stick, to clean delicate surfaces without damaging them.
