

## Folding Bedside Commode

The DME Care Solutions Folding Bedside Commode is a multi-functional unit that can be used as a bedside commode, raised toilet seat, or toilet safety frame over an existing toilet. The tool-free design allows for easy folding and height adjustment to accommodate individual patient needs safely and efficiently.

- Versatile, three-in-one commode opens easily and folds flat
- Can be configured as a commode, raised toilet seat, or toilet safety frame over existing toilets
- Tool-free setup and 1-inch height adjustments (from 16.22" to 22.24") accommodate a range of users
- Includes a durable plastic snap-on seat with lid, drop-in bucket with handle, splash guard, plastic armrests for added comfort, and a removable back
- 10372 and 10373 come in retail-friendly packaging
- Weight capacity 350 lb.
- Limited Lifetime Warranty
