THE INTEOS DIFFERENCE

MAXIMUM STYLE

BLANCO is the first to offer a large scale 45" granite composite workstation sink in a range of SILGRANIT® colors.

WORKFLOW REDEFINED

Integrate prep, bake and serve into an effortless workflow with multi-purpose accessories.

STACK & STORE

Stack accessories or store them away with the sleek INTEOS Organizer Bag.

OPTIMIZE YOUR SINK

WITH INCLUDED ACCESSORIES

TACKLE EVERYDAY MEAL PREP

All INTEOS sinks come with three included accessories: a cutting board, accessory holder and large colander. These essentials are the starting point of your unique INTEOS experience.

CUTTING BOARD

Maximize counter space with an ash cutting board that stacks securely on the sink's upper ledge, providing a stable work surface.

LARGE COLANDER

Spacious and efficient—perfect for rinsing produce or straining pasta.

ACCESSORY HOLDER

Stainless steel frame with silicone lined handles serves as the homebase for your workstation accessories.

GO BEYOND BASIC MEAL PREP

CUSTOMIZE WITH OPTIONAL ACCESSORIES

CHOOSE YOUR TOOLS

Enhance your culinary experience and post-meal clean-up with optional, dishwasher-safe stainless steel accessories. Customize your INTEOS workstation based on your personal preferences and the needs of your household.

BOTTOM GRID

Protect your sink and improve drainage with an elevated, efficient work surface.

LARGE & SMALL TRAYS

Oven-safe large tray or two smaller trays make prepping, cooking and serving effortless.

SMALL COLANDER

Half the size of the large colander. Use for a quick rinse or combine with the tray for convenient soaking.

DISH RACK

Heavy-duty, dishwasher-safe dish rack turns your sink into a versatile drying station.
