

Antibac Spray Mop With Refill Head

KL067036UFF6EU7

Please retain instructions for future reference.

Care and use

To use the spray mop effectively, begin by removing all packaging materials. Lift the spray bottle from the mop and carefully unscrew the cap. Prepare a cleaning solution by mixing water with detergent or disinfectant, following the manufacturer's instructions, and pour this solution into the spray bottle. Please note that bleach must not be used with this product. Once filled, securely replace the cap and reattach the spray bottle to the mop. To activate the spray function, simply press the trigger on the handle. Exercise caution by refraining from filling the spray bottle with hot or boiling water, and ensure that the mop is used only on cool surfaces. Additionally, it is important to keep the product out of the reach of children.
