Specification Revised 6/26

HDF330PGZ

Hotpoint® Built-In Dishwasher

FEATURES AND BENEFITS

Reliable Performance– American-made dishwasher engineered for reliable performance, durability and long-lasting dependability. Enjoy consistently clean and dry dishes with every cycle.

Multi-Level Wash System– The multi-level wash system delivers complete cleaning coverage throughout the dishwasher, helping ensure clean dishes on every rack.

Dry Flexibility– Customize every load with flexible dishwasher drying options. Choose High Dry for enhanced drying performance, select Normal Dry for everyday use, or use Dry Off to match your cleaning and energy-saving preferences.

Cycle Options– Choose from multiple dishwasher cycle options designed to handle heavy-duty loads, everyday washes, and a Time Saver option that gets the job done in just one hour.

Time Saver Cycle– Get clean dishes faster with the 1-hour wash cycle. This quick wash dishwasher cycle provides spotless plates, glasses, pots and pans without waiting hours for the dishwasher to finish.

60 dBA Dishwasher– At 60 dba, this quiet dishwasher provides a powerful clean without unwanted noise or disturbances. A status light on the door lets you know when it's running.

Control Lock– The dishwasher control lock helps prevent accidental starts or interruptions from children and pets by locking the controls to keep settings secure.

Hard Food Disposer– Our exclusive Piranha™ hard food disposer with dual filtration removes large food particles and ensures consistently clean dishes.

Durable Design– Built tough to handle heavy loads, this durable dishwasher features sturdy racks that support up to 30 pounds, making it easy to clean large pots and cookware.

Simplified Installation– Designed for easy dishwasher installation, this dishwasher includes an easy-remove skid, attached drain hose, and universal mounting brackets that allow you to easily mount the dishwasher under any type of countertop.

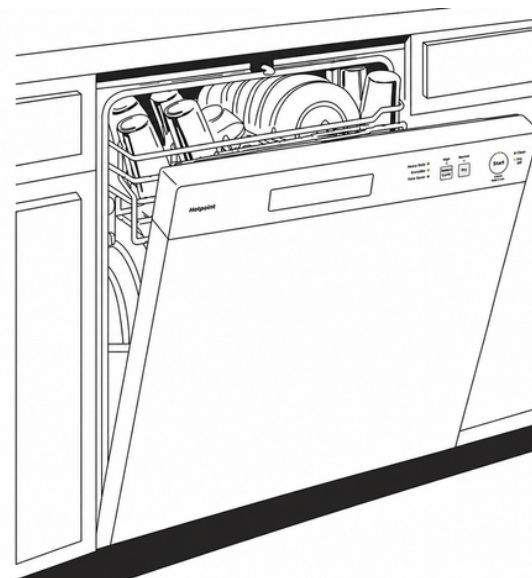

Flush Installation– Designed for flush dishwasher installation to align seamlessly with cabinets to ensure it blends into the kitchen without sacrificing space for dishes.

Adjustable height– The adjustable-height dishwasher design helps simplify installation over built-up floors or a variety of flooring material.

Two-Rack Design– This two-rack dishwasher design maximizes usable space, including room in the upper rack for larger items like pots and pans, so you can fit more in a single load.

Large Capacity– This large capacity dishwasher has enough space for 12 place settings and large dishware, making cleanup easy after every meal.

Water Leak Sensor – Active Flood Protect has an advanced water leak sensor to help prevent overflows by detecting high water levels and automatically removing excess water for added peace of mind.

Model HDF330PGZWW – White on white

Model HDF330PGZBB – Black on black
