

Eaton 104742

Catalog Number: 104742

Eaton Cooper Power series aqua seal, Roll size: 3 3/4" x 10' x 1/8"
, Black, 2.4 x 1015 cm

General specifications

Product Name	Catalog Number
Eaton Cooper Power series aqua seal	104742
UPC	Product Length/Depth
194006009454	0.001 in
Product Height	Product Width
0.001 in	0.001 in
Product Weight	Certifications
0.001 lb	Not Applicable

Additional Specifications

Non-resistant to

Gasoline, oil, mineral spirits, naphtha and solvents

Resistant to

Weather, water, water vapor and salt fog

Type

Aqua seal

Descriptions

Color

Black

Non-resistant to

Gasoline, oil, mineral spirits, naphtha and solvents

Dimensions

Roll size

3 3/4" x 10' x 1/8"

Electrical Rating

Dielectric strength

500 volts per mil minimum on .020"

Dissipation factor

298 at 60 Hz/286 at 1,000 Hz

Ratings

Life expectancy

Indefinite

Volume resistivity

2.4 x 10¹⁵ Cm

Temperature

Temperature range continuous

-40 °F to 194 ° F/-40 °C to 90 °C

Temperature range flashpoint

>400 °F/204 °C

Temperature range intermittent

266 °F/130 °C

Type

Adhesion type

Exceptionally tight adhesion to all types of clean, oil - and dust-free surfaces including XPLE, RHW, THW, rubber neoprene and PE insulation
