VARIO Creative[®] Tool

Pure Perfection of Happiness.

Precision meets lightness.

The VARIO Creative® Tool – a true innovation towards perfect crafting flow.

The VARIO Creative® Tool offers several functions in just one tool: **punching holes, attaching press fasteners, eyelets and rivets.**

The **ergonomic design** and innovative **mechanics** ensure **optimised power transmission** and thus increase the functional range of the VARIO Creative® tool. Its varied applications lead to more joy and creativity in crafting.

The VARIO Creative® Tool is not only versatile, it is **very easy to use.**

A certainty of success with fatigue-free work and precision via **lower tension** and the **effortless switch** between the different functions.

The aesthetic appearance and the high-quality materials enhance the **pleasure** of using the VARIO Creative® Tool.

The VARIO Creative® Tool is compatible with all existing Prym tool sets and products from our non-sew range with these symbols: VARIO pliers + VARIO Creative® Tool

Ergonomic design – developed in Germany.

Adjustment screw for fine adjustment, limitation of power transmission.

The tool holder for easy changing of tools.

Height compensation depending on tool and material thickness.

Plastic feet hold your position securely and guarantee a non-slip stand.

The **handle** has three positions for precise work.

Clamp for securing to a table, if required.

The **two-way measurements** for precise positioning and measuring.

'Lightness, design and innovation
combined with Handicraft.
It's like yoga for my hands -
and it makes me happy.'

*Innovation
meets
harmony.*

Function meets design.

Ergonomic design for a comfortable use in every handle position.

Optimum power transmission for effortless work.
This innovative, ergonomic design makes the tool easy to use in a variety of positions. The ergonomic grip shape, the wide support surface and the vertical processing direction enable an optimised power transmission, even with thick materials.

Easy handling for the relaxed crafting flow.
The simplicity in handling due to less effort and the effortless change between the different tools create smooth transitions in the working process.

Precise work with certainty of success.
The fine adjustment for different textiles, the integrated measuring tool and the table clamp enable maximum precise work. The separately available table clamp provides additional stability.

Aesthetic design gives more joy of use.
With its minimalist appearance, ergonomic design and high-quality materials, the VARIO Creative® Tool meets the highest design standards.

The effortless change of tools enables a fluent working process.

Lift the handle.

Insert the punching tools.

Lower the handle, insert the fabric and ...

finish punching.

Insert the tool set for eyelets.

Insert the eyelets and fabric.

Lower the handle, insert the fabric and fix the eyelet in place.

Lift the handle and remove the material with the eyelet.
