

SOLERA[®] USA 250TH ANNIVERSARY LIMITED EDITION RV AWNING SCREEN

The Solera USA 250th anniversary limited edition RV awning screen delivers 48 inches of durable, UV-resistant shade while celebrating America's 250th anniversary, fitting Solera and popular competitor awnings with quick, clean installation.

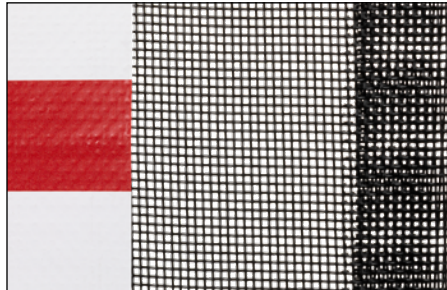

CELEBRATE AMERICA'S 250TH WITH LIPPERT

Limited-Edition Patriotic Design

Celebrate America's 250th anniversary with a distinctive RV awning screen that features a bold commemorative logo, giving RV owners a meaningful way to show pride while enhancing the look of their outdoor living space

Durable Mesh Material

Constructed from 10 oz. vinyl-coated mesh, this camper awning sun shade is lightweight yet strong, offering UV and mildew resistance while maintaining airflow and visibility for comfortable use in varying weather conditions

Easy Installation

Designed to attach via polycord into Solera awning accessory channels, this RV awning screen shade installs quickly and fits all Solera series awnings, along with popular Carefree™ and Dometic® competitor models

This RV awning shade provides a full 48 inches of additional coverage beneath your existing awning, helping create a cooler, more comfortable patio area for relaxing, dining, or entertaining outside your camper

Additional Features

- Celebrate America's 250th anniversary with a limited-edition USA flag logo
- Adds 48" of extra shade under your patio awning
- Durable 10 oz. vinyl-coated mesh blocks sun and keeps your patio cooler
- Easy polycord install slides into the awning accessory channel
- UV and mildew resistant for long-lasting outdoor use
- Clean, hemmed edges deliver a finished, premium look
- Fits all Solera awnings 16' and longer with 0.255" accessory channels
- Works with slide toppers for shade past the slide-out
- Compatible with Carefree™, Dometic®, and Velarium® awnings that have 0.255" accessory channels
- 192"W x 48"H size for consistent coverage
