

Product Warranty Organizations

Consumer Reports (www.consumerreports.org)

Consumer Reports is a nonprofit organization that provides unbiased product reviews and ratings. The organization has a long history of helping consumers make informed decisions about the products they buy.

Consumer Reports also provides information on product warranties, including how to read a warranty and what to look for in a warranty. The organization's website offers a comprehensive guide to product warranties, including information on how to file a claim and what to do if you are denied a claim.

Consumer Reports also offers a free product warranty calculator that can help you determine the value of a product warranty. The calculator takes into account the cost of the product, the length of the warranty, and the likelihood of the product failing.

Consumer Reports also offers a free product warranty guide that can help you understand the different types of product warranties and how to choose the right one for your needs.
