DANDRUFF SHAMPOO

12 FL. OZ. BOTTLE

WeCare Dandruff Shampoo is designed to help manage dandruff while cleansing and hydrating the hair. The gentle formula contains 0.5% pyrithione zinc to help reduce flaking and irritation of the scalp. Suitable for daily use, the shampoo helps relieve itching and supports overall scalp comfort. WeCare Dandruff Shampoo is packaged for convenience in retail environments and is appropriate for a variety of health care and personal care settings.
