Care and use

This ovenware is designed for domestic oven use only and is safe for temperatures up to 220 °C (Gas Mark 7). To ensure its longevity and safety, avoid using metal utensils and never leave the ovenware unattended while in use. After use, always allow the ovenware to cool before cleaning. We recommend hand-washing with a mild detergent and a nonabrasive sponge, followed by thorough rinsing and drying. When handling the ovenware, always use heat-resistant oven gloves and avoid exposing hot ovenware to cold liquids. If the ovenware shows any signs of damage, it should be disposed of carefully to prevent injury.
