CONTINENTAL

CRD2NE

Effortless Fireplace Upgrade

The CRD2 retrofits into existing masonry fireplaces using optional liners in the current chimney space, making it a simple and cost-effective way to modernize any space.

Efficient & Reliable Heat Even in Outages

Enjoy consistent warmth year-round as the CRD2 keeps heating your home even when the power goes out.

Modulating Ember Bed

Delivers remarkable realism, mimicking the natural glow and flicker of real embers to create an authentic, inviting ambiance.
