Care Instructions:
Water Hyacinth Gift Basket

Our water hyacinth products are crafted from natural, sustainable fibers, bringing organic warmth to your space. To keep them looking their best:

Natural Fiber Scent

- A light, earthy scent is normal when first opened.
- The scent will naturally fade within **24–72 hours.**

Keep Dry

- Avoid prolonged exposure to moisture or damp environments.
- Excess moisture may cause mold and weaken the natural fibers.

Routine Cleaning

- Vacuum gently using a soft brush attachment to remove dust and maintain texture.

Clean Spills Immediately

- Blot spills with a clean, undyed cloth or paper towel.
- Wipe gently with a damp cloth and mild soap if needed.
- **Do not soak** the product.
- Dry completely with a towel, hair dryer (cool/low setting), or in a well-ventilated area.
