

# Magnetic ToolMat™

## Your mobile tool rack

Flexible magnetic mat designed for holding tools and small parts secure in the workshop, garage or on the jobsite. Attracts to any flat or curved ferrous metal surface. Keeps your tools and parts with you while you're working, helping you stay organized and work fast.

## Features

### Flexible and magnetic on both sides

- Powerful magnetic strength for use in any position – flat, vertical and overhead.
- Keeps parts grouped and organized for fast re-assembly.
- Wraps around and attracts to itself for use on non-metal surfaces such as ladders, posts and poles.

### Durable synthetic leather

- Resistant to rips and damage, grease, oils, and common shop chemicals. Wipes clean easily.

### Reinforced grommets and sewn-in handle

- For mounting options and ease of carrying.
