

Dahle 15e

Vantage® Paper Trimmer

The Dahle Vantage® 15e features a 15" cut length and a machine ground blade that can remove the tiniest sliver of paper from your work. It cuts up to 15 sheets of paper at a time and includes a sturdy metal base with alignment guides for easy trimming.

Features | Benefits

- Machine ground blade ensures a sharp edge and consistent trimming results
- Automatic clamp holds work securely and prevents uneven cutting
- Tension spring automatically lifts the blade and prevents it from falling
- Sturdy metal base with non-slip rubber feet to prevent moving
- Cuts up to 15 sheets of paper at a time
- Screened guides for easy alignment
- Adjustable alignment guide for repetitive cuts
- Handle can be secured when not in use
- Perfect for paper, photos, and cardstock
- 1 Year warranty (excludes cutting blade)

The machine ground blade ensures a sharp cutting edge.

The tension spring automatically lifts the blade and prevents it from falling.
