ORAL SWABSTICKS

ITEM 1216-1220

Dynarex Oral Swabsticks gently clean, moisten, and refresh the mouth, teeth, and gums. Featuring raised foam ridges, they effectively remove particles and mucus for improved oral hygiene.

- Designed to gently moisten and refresh mouth, teeth, and gums
- Raised foam ridges help remove particles and mucous for enhanced oral hygiene
- Helps to relieve dryness due to illness, medication, surgery, and radiation therapy
- 1216: Smooth-surfaced swabstick for gentle application
