Resealable Storage Bags - Retail Packs

Description of Features

Caution:

For use in the microwave, open bag one inch to vent. Place bag on a microwave-safe dish.
Handle with care. Bag and contents may be hot. Do not overheat contents beyond temperature of 180°F / 82°C for 3 minutes as bag may melt.

Warning:

To avoid danger of suffocation, keep bags away from babies and young children.
The thin film may cling to nose and mouth and prevent breathing.
