¹ Utilizes AI-Based formulas

² 144Hz requires compatible content connection from compatible PCs, Motion Xcelerator 144Hz is sometimes called Motion Xcelerator Turbo+.

³ High speed Internet connection, additional gaming service subscriptions and compatible controller required.

⁴ Samsung Account required for network-based smart services, including streaming apps and other smart features. Separate [connected] computer, mobile or other device may be necessary to create/log in to Samsung Account (free to download and create). Without Account log in, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available.

⁵ Multi view functionality varies by model.

⁶ SmartThings compatible devices only. SmartThings app download may be required.

⁷ HDMI—CEC (Consumer Electronics Control) facilitates convenient control functions with compatible devices.

⁸ Requires third-party control system installation. See www.samsung.com/us/business/custominstall.

⁹ Q-Symphony requires compatible 2020-2024 Samsung TV and either a Q-series or S-series soundbar.

¹⁰ Alexa is built-in

¹¹ Subscriptions may be required for some services. Smart Trainer support devices may vary by country. Partners and content may vary by region.

¹² FILMMAKER MODE™ logo is a trademark of UHD Alliance, Inc.

¹³ Super Ultra Wide Game View is supported for PC games only. Super Ultra Wide Game View is only available for ultra wide supported games. Some game titles may not support the function or be limited to use this feature. Screen resolution change from external device may be required.

¹⁴ QLED televisions can produce 100% Color Volume in the DCI-P3 color space, the format for most cinema screens and HDR movies for television.

QN95D Samsung Neo QLED 4K TV

TOP 10 KEY FEATURES

NQ4 AI Gen2 Processor

The power behind the 4K picture that actively improves the quality. Utilizing 20 specialized networks the AI-powered processor drives the intuitive Smart TV Hub, Dolby Atmos™ sound, and expertly upscaled 4K resolution.

Quantum Matrix with Mini LEDs

Catch every detail in dark to bright scenes. Precise lighting from Mini LEDs boost brightness so you don't miss a thing. It all works to make your picture that much more intense.

Infinity One Design

A barely-there TV frame helps keep your focus on the screen. This minimalist design has an impossibly slim and sleek profile.

Neo Quantum HDR+

See content come to life with remarkable picture quality and brightness. No exaggeration: the things on screen look true enough to touch. You'll get to absorb all the nuances of the latest Hollywood movies and the shows you love made for High Dynamic Range.

Anti-Reflection

Watch everything you love with nearly no reflections and no distractions. Now your entertainment can look as good in the morning as it does at night with the lights on. Anti-Reflection technology limits light distraction on your screen by reducing the glare.

Motion Xcelerator 144Hz¹

Play games and content with smooth motion and virtually no lag or blur. Get uninterrupted action with crisp visuals rendered at top speeds, so you always have a seamless, non-stop picture.

Real Depth Enhancer Pro

Experience depth and dimension on screen just like you do in real life. Real Depth Enhancer Pro finds the focal point in each frame and adjusts for a fully dimensional picture.

4K AI Upscaling²

Content instantly transformed to incredibly sharp up to 4K resolution. Whether you're streaming an HD movie, watching live sports, or looking back at home videos, experience it all transformed into sharp 4K resolution.

Samsung Tizen OS³

Stream your favorite shows. Play games. Work out with a trainer. Do all you enjoy with Smart TV Powered by Tizen. Discover your must-have apps and streaming services all just a few clicks away.

¹144Hz requires compatible content connection from compatible PCs. Motion Xcelerator 144Hz is sometimes called Motion Xcelerator Turbo+.

²Utilizes AI-Based formulas

³Samsung Account required for network-based smart services, including streaming apps and other smart features. Separate [connected] computer, mobile or other device may be necessary to create/log in to Samsung Account (free to download and create).
