

Personalized workspace options from Novus deliver a clean look, improved ergonomics, and the freedom to easily change your workspace. NOVUS More Space sets provide clever all-inclusive solutions for any workspace.

bar attaches securely to any desk surface between .55" and 1.57".

The NOVUS Office Toolbar is ideal for a basic work space where desk surface is at a premium. This set combines a Slat Wall, a LiftTEC® Arm I, and a convenient paper tray and pen cup. The Slat Wall is 63" wide and allows for easy movement of the accessories along the tracks and at 9.84" is at an optimum ergonomic viewing height. Equipped with system clamps, the Office Tool-

The LiftTEC® Arm I has strength to support heavier monitors and a clean, modern style. The Arm I uses Gas Spring technology for smooth positioning and a Quick Release monitor mount – simply click the monitor in place and tilt to the perfect viewing angle. The Arm I supports one monitor weighing between 6.5 and 17.5 lbs, has a range of 15.75", and can rotate 180 degrees.

The NOVUS Office Toolbar components are covered by a 5 year guarantee.
