CS-C5USB2A **USB 2.0 EXTENDER**

 **SALES** 386-255-0234

- The CS-C5USB2A USB 2.0 extender enables you to extend USB 2.0 devices up to 50 meters / 164ft over category cable.
- Compatible with webcams, keyboards, mice and many other USB peripherals that require the speed supported by USB 2.0.
- Transmission rate up to 480Mbps
- One USB-B port on transmitter
- Two USB 2.0 ports on receiver
- Includes: 1 x Transmitter, 1 x Receiver, 1 x 3ft USB-B male to USB-A male cable, 1 x 5V/1A power supply and a user manual
- Can use CAT5E or CAT6 cable

Note: Use with some USB hubs may reduce the distance supported to 40 meters / 131ft.
