**FOLLOW THESE
STEPS TO DECORATE
YOUR UNICORN
PRISM LIGHT AND
BRIGHTEN UP
ANY ROOM!**

STICKY DOTS are adhesive circles that hold your pieces in place. They are not repositionable. Once the sticky dot is placed, you will not be able to remove it easily.

DECORATE & DAZZLE

HORN

Give your unicorn its signature look! Use a sticky dot to attach the horn to the top of the head.

Mane

Every unicorn needs a fabulous hairdo. Place a few sticky dots behind the horn and down the back of the neck then press the mane onto the sticky dot.

Tail

Ready for the finishing touch? Remove the paper backer from the tail base then press and hold for a few seconds to secure to the body.

eyes

Choose your favorite pair of glittery eye stickers. Place one on either side of the head.

nose

Apply the two glitter heart stickers to the end of the snout for an extra-cute look.
