

Pom 2 Steam Press Ironing Board 122x38cm

LA031282POM2FEU7

Please retain instructions for future reference.

Care and use

To ensure the longevity and optimal performance of your ironing board cover, please adhere to the following care instructions. Do not bleach, tumble-dry, or dry-clean the cover. You may iron it at a maximum temperature of 200 °C. For light soiling, simply wipe the cover clean with a soft, damp cloth. As for the ironing board itself, remember to wipe the legs with a damp cloth to keep them clean. Before using the cover for the first time, run a hot steam iron over it to eliminate any creases. It is essential to exercise caution; never leave a hot iron unattended and avoid placing a hot iron face down on the cover.

Made in **India**.
