Manufacturer's 10 year limited material warranty for registered IdeaPaint installation. Technical Training is included in the registration process and is required for installation of IdeaPaint products. Failure to obtain proper technical training prior to installation of IdeaPaint products will void the warranty.

P-1: PRIMER

- IdeaPaint Preferred primer*

P-3: DRY ERASE PAINT

- Manufacturer: IdeaPaint
- Color Name: CLEAR Dry Erase Paint
- Finish: Gloss
- Location: To be applied over P-2
- Contact: Ideapaint Customer Service (800) 393-5250

NOTE:

Certain very deep colors may bleed into the IdeaPaint CLEAR surface upon curing. This can create dry erase performance and erasability issues. When applying IdeaPaint CLEAR over deep colors, inspect the surface for color bleed. If color bleed is noticed after application, wait 24 hours and then apply a second coat of IdeaPaint CLEAR to correct the issue and seal the surface.
