

TRIPLE ANTIBIOTIC OINTMENTS

FIRST AID ANTIBIOTIC

WeCare Triple Antibiotic Ointment is a topical antibiotic designed to help minimize the risk of infection in minor cuts, scrapes, and burns. The triple-acting formula helps repair skin and inhibit the growth of harmful bacteria. This high-quality ointment is available in convenient single-use packets for effortless kit-packing and easy-open tubes for quick application. WeCare Triple Antibiotic Ointment is ideal for a wide variety of settings including first aid, medical practices, long-term care, schools, and at home.
