- **23.75" ROUND ADJUSTABLE DINING TABLE:** Whether you're hosting the holidays or need additional table space at your venue, this dining table will add a timeless elegance to your design while providing much needed extra table space
- **ADJUSTABLE HEIGHT:** Height adjustable frame easily adjusts from standard table height to counter height (26.25" - 35.75") with the handle located under the top, and the narrow design provides plenty of room for larger tables to be set up
- **CONTEMPORARY STYLE:** Boasts an elegant 0.75" thick white wood swivel tabletop and a round, chrome base to add a contemporary chic design to any home or establishment
- **CHROME BASE:** Base is out of the way when guests are socializing and is fitted with a protective plastic ring to help prevent your flooring surfaces from being scratched
- **PAIR WITH ADJUSTABLE BARSTOOLS:** Measures 23.75"W x 23.75"D x 26.25-35.75"H and can be used as a standalone option or with the use of similarly designed adjustable height barstools
