

Rh Recycled Bakeware Pizza Tray - Grs

RH03744

Please retain instructions for future reference.

Care and use

This overware is intended for domestic oven use only and is safe for temperatures up to 220°C (Gas Mark 7). It is important to avoid using metal utensils with the overware to prevent damage, and never leave it unattended while in use. Always allow the overware to cool before cleaning. For best results, hand-wash using a mild detergent and a nonabrasive sponge, then rinse and dry thoroughly. When handling hot overware, always use heat-resistant oven gloves for your safety, and never expose hot overware to cold liquids, as this may cause damage. If you notice any signs of damage to the overware, please dispose of it carefully.
