2022

SUCCESSFUL SUSTAINABILITY EFFORTS
Free of toxic chemicals

SUCCESSFUL SUSTAINABILITY EFFORTS
Low environmental impact dryers, reducing carbon footprint

SUCCESSFUL SUSTAINABILITY EFFORTS
Reducing plastic bottle consumption

SUCCESSFUL SUSTAINABILITY EFFORTS
Green Circle are the polyester fibers made by **Green Circle** recycling system. Compared with the traditional technology, **Green Circle** Fibers can reduce approximate 50% of energy consumption and carbon dioxide emissions.

SUCCESSFUL BAGS BUILD WITH WATER BOTTLES

SUCCESSFUL RECYCLED PACKAGING

SUCCESSFUL ACHIEVED GRS CERTIFICATION
What does that mean?
Global Recycle Standard (GRS) is intended to meet the needs of companies looking to verify the recycled content of their products (both finished and intermediate) and to verify responsible social, environmental and chemical practices in their production.

SUCCESSFUL MEMBERS OF HOW2RECYCLE
How2Recycle
How2Recycle is a standardized labeling system that clearly communicates recycling instructions to the public. It involves a coalition of forward thinking brands who want their packaging to be recycled and are empowering consumers through smart packaging labels.

SUCCESSFUL ELECTRIC CAR CHARGING STATION
TORG has installed an electric vehicle charging station. Open to all to employees to charge their electric vehicles during office hours.

SUCCESSFUL 100% RECYCLED PACKING MATERIAL
What does that mean?
Instead of plastic poly bag, we will now use a sustainable protective clear bag; cardboard cartons will including How2Recycle instructions; and packing tape becomes renewable and biodegradable tape.

SUCCESSFUL 100% RECYCLED PACKAGING
What does that mean?
The dyes that we currently use will become biodegradable dyes. We will be using solvent-free adhesives, and UPC stickers will now be eco-friendly and compostable labels.

SUCCESSFUL WORK WITH FLEXPART
Work with Flexport. to maintain schedule integrity and reduce transportation emissions.
