

COMMERCIAL CASE STUDY

PRODUCT

Torch™ Welding PULSE

WS-PLS

- Durahide™ Goat performance leather construction doesn't dry out or crack with heat exposure.
- Stitching with Kevlar® throughout provides structural integrity and resilience under constant heat.
- Glide-resistant leather side seam reinforcement protects from surface burns while you work.

Manufacturing

KEY TAKE AWAYS

- Implementation of the Mechanix Wear Pulse welding glove resulted in 2x increase on lifespan use when compared to the competitive test glove.
- The Pulse welding glove design delivered better fitment, more dexterity, eliminated bunching and provided better protection against burns during use testing.
- Pulse welding glove reduced the overall need to purchase new gloves by 50% resulting in financial savings of \$90k per year.
