- ITEM 3083 6" × 6"

BORDERED

- ITEM 3084 2" × 2"
- ITEM 3085 4" × 4"
- ITEM 3086 6" × 6"

- Soft and conformable dressing formulated with a silver compound to provide an antimicrobial barrier
- Suitable for wounds with delayed healing due to bacteria, infection, or wounds at risk of re-infection
- Silver foam core helps to absorb exudate, and releases silver ions into the wound bed for an antibacterial effect
- Vapor-permeable waterproof film and silicone contact layer is gentle on wounds and moves without losing adherence
- High-absorbency sterile dressing used for heavily exuding wounds
- Primary or secondary dressing to treat and manage partial-to full-thickness wounds at stages 2, 3, or 4
- 10 per box, 5 boxes per case
